

Safety Support Services Partnership

Discounts for members of ABCIL

ABC of Illinois, Assurance Safety Consulting, and Safety Meeting Outlines have formed a partnership to provide **discounted safety support services to ABCIL members.**

Everyone knows that safety is an important, even critical, business driver. We also know that it can be difficult and sometimes expensive to get and keep a safety program running. ABCIL members now have **member-only access to a broad menu of safety support services** to make safety easier, more convenient, and less expensive. The array of services ranges from on-site audits to easy-to-use premium toolbox talks all available at exclusive savings.

Below is a list of services that are available to ABC members through the safety partnership with Assurance and Safety Meeting Outlines. In some cases, members can form small groups to get even greater cost savings. Specific safety support plans and pricing can be established upon request.

DISCOUNTED SERVICES AVAILABLE:

**Safety Bundles • On Site Safety Evaluations • Weekly Safety Meetings
Written Safety Program Development • Safety Program Audit
Safety Training Programs • Licensing Training • Safety Consulting Day(s)
OSHA Update Training • OSHA Assistance • On-Call Support**
